Hi,

Please note that the Library has a new web page. The steps to searching Reserve items are modified slightly as follows:

1. Goto <http://library.csun.edu>
2. Under **Quick Links** (screen Left), click on **Course Reserve**
3. At screen Right, enter "BUS 302" in course; hit ok
5. Choose BUS 302 online video viewing
6. Select appropriate video title
7. Scroll down to the bottom of the list; find the entry that indicates  
    **" Electronic Copy Available online" in the FORMAT column**
8. Click on the **\*\*TITLE\*\*** to access the video
9. Choose appropriate resolution of the video  
    (higher resolution recommended only if you have high speed connection)
10. Log in with CSUN ID / Password
11. Accept the terms (check the box) and hit OK

You should be able to view the video after this.  
Let me know if this solves your problem.

Best,  
Rueyling Tsay
