

Money Matters @ Student Housing

The Financial Aid and Scholarship Department is offering a series of free workshops. Come to the Community Center at CSUN Housing, grab a slice of pizza, and learn to make informed decisions about your money while in college and after graduation! Park in Lot G9.

| Workshop | Description | Date | Time |
|--|--|-----------------|-------------|
| Eating Healthy on a Budget <i>Presented by Klotz Health Center</i> | Come and learn how to buy budget friendly food, maximize your nutrition and get ideas for inexpensive, nutritious meals. Enjoy making your own healthy snacks and eat them while learning! | Tue., Oct. 11th | 6:30-8:30pm |
| Understanding Financial Aid Options <i>Presented by Financial Aid and Scholarship Department</i> | Want to learn about different types of financial aid? Come and learn about grants, scholarships, loans, and work-study. Gain an understanding and ask questions about the financial aid process. | Wed., Oct. 12th | 6:30-8:30pm |
| Credit Card Management <i>Presented by Department of Family and Consumer Sciences</i> | You might know how to shop with a credit card but do you know how to shop for a credit card!? Learn how finance charges are calculated, how to read credit card statements, and become a responsible credit card user. | Tue., Oct. 18th | 5:30-7:30pm |
| Psychology of Money <i>Presented by University Counseling Services</i> | Ever wondered how your thoughts, feelings, and beliefs about money affect your spending habits? Come and learn strategies to help you change so that you can be in control of your financial life. | Tue., Oct. 25th | 6:30-8:30pm |
| Understanding Credit Report and Scores <i>Presented by Department of Finance</i> | Is 400 better than 700? This workshop will answer this and many other questions about credit scores. You will learn what impacts credit history and how to build, maintain or repair credit. | Tue., Nov. 1st | 6:30-8:30pm |
| Identity Theft <i>Presented by Department of Police Services</i> | Do you know how to protect yourself from identity theft and what to do if it occurs? Come and learn strategies to minimize your risk of becoming a victim. | Tue., Nov. 8th | 6:30-8:30pm |
| CSUN Degree: A Smart Investment <i>Presented by Faculty from Math and AFYE</i> | Is it worth investing time and money in your college education? Come and learn how to reduce the cost of college and increase your earning power in the future. | Tue., Nov. 15th | 6:30-8:30pm |
